10 AM - NOON**

PEDIATRIC ASSESSMENT SERIES: HEAD-TO-TOE ASSESSMENT

Speaker:

Aara Zand Amidi-Nouri, RN, MSN

Clinical Faculty

San Francisco State University

Target Audience:

RNs and LVNs working in outpatient and inpatient pediatric settings, RNs and LVNs working in emergency / urgent care units, and RNs and LVNs with no or minimal Pediatric experience

Learning Objectives:

Upon completion of this 2-hour program, each participant will be able to:

1. Discuss the management of immobilization in hospital setting.
2. Recall the preparation of a child for physical examination based on growth and development.
3. Describe how to perform a head-to-toe assessment in a sequence best suited for the inpatient setting.
4. Describe appropriate communication with the child based on age and development.
